Unknown Coalition Attendees	Ben Glover and Cassie Johnson

Additional attendees included: Dr. Bala Simon with the State of Arkansas and Katie Peterson and Rori Durham with HUD-TA (Cloudburst).

Call to Order

The meeting was called to order via virtual platform at 11:01 am by Balance of State Chair, Casey Kidd.

Roll Call

A welcome was given and roll of attendees was recorded.

COVID-19 Update

An update was provided by Dr. Bala on the state of COVID-19 in Arkansas. Dr. Bala shared that Arkansas is waiting for the rise in COVID cases to peak. New York and New Jersey are seeing their peak. Arkansas is about a week behind them. The Omicron variant is very contagious the first 48 – 72 hours and less contagious on day 5. This is the reason for the required isolation for 5 days and wearing a mask the next 5 days. Home testing kits are being distributed to communities. If an individual has symptoms and the home test is negative, then the individual should go to their local health department and get PCR tested.

Approval of Minutes

A motion was made by Melissa Allen and seconded by Shannon Haward to approve December 2021 minutes with the following two requested corrections: 1). Under the section regarding collaborative applicant, SWAP should be OCYFS. 2). Under COVID update the age should be 5 and under). The motion unanimously carried.

Federal & State Reports

HUD

Absent

DHS

Lorie shared that there were questions about the “match” for ESG funds and she is getting ready to send clarification out about the “match” for funds. Lorie stated she will send an email out to the Balance of State Chair to set up a meeting to better determine how to spend ESCG - COVID funds so monies do not go back. Lorie advised that ESCG – COVID funds can be used to host a COVID vaccination clinic. A discussion was held about the potential of using HMIS to track vaccinations.

Lorie answered questions about the turnaround time for COVID housing funds. Eligibility is based on the tenant, so the tenant must apply, not the landlord.

HMIS

Alex reported that ESG-COVID reports were turned in and accepted. If the Balance of State wants to do an unsheltered count, then a date extension is possible. Katie shared that the date extension does not apply to the date reports are due.

Old Business

PIT Count Planning

Casey shared facts regarding the increase in COVID cases in Arkansas. Judi posed a question regarding what we committed to in our grant as it relates to doing a 2022 unsheltered count and the impact that it would have on us receiving funds this year if we had committed to doing an unsheltered count but only do a sheltered.. Melissa Allen asked if there could be a waiver due to the extenuating circumstances. The consensus from the board was that an unsheltered count is too risky. Katie suggested including Arkansas facts about the rise in COVID cases and also a statement about the health and safety of vulnerable volunteers and people served. Shannon Haward made a motion that Arkansas Balance of State do not complete unsheltered count January 2022. Judi Lively seconded. The motion carried with unanimous approval.

Sue shared that she has asked if Simech Solutions will credit us on what we have paid for the Counting Us APP so that money can be applied towards next year. Awaiting an answer. The training is still scheduled for January 25th ; 10:00.

New Business

Committee Updates

Coordinated Entry

Due to the increase in COVID cases, the training has moved from February to March 2022. Katie shared how important it is to include people with lived experience as part of coordinated entry planning.

Local Homeless Coalition Reports

ARVAC/ARVAN

Fred Teague reported that ARVAC have purchased land to make a non-profit organization that will house several organizations, including, United Way, medical and dental services. ARVAC is working to find a replacement for Tim. Restore Hope Arkansas will be brought in this week; they work with the judicial systems and help with reunification of families.

BBMN

Chonda Tapley reported that they have recently bought a building. A HOPE 501c3 meeting is scheduled. BBMN is meeting tomorrow for a PIT count discussion. House of Success is still doing a warming station.

Delta Hills

Shannon Haward shared Lee County has all of their vouchers still available; they were sharing with St. Francis county. Pocahontas has used all of their vouchers except one.

Eastern Arkansas

Cassie Rutledge reported that Eastern Arkansas is struggling with recipients of vouchers successfully obtaining housing. There are 3 people approved in Crittenden County but can't find a place to rent that falls within the voucher amount. Eastern Arkansas really needs a shelter for women and children; referrals are being made to Tennessee.

Mississippi County

Absent

Northeast Arkansas

Casey Kidd shared that their next meeting is in February. Northeast Arkansas has been having PIT count meetings to prepare for the PIT count.

Phillips County

Absent

RHC

Absent.

SWAP

Sarah Fowler shared that many of the agencies that operate in SWAP have initiated their alternative work schedule and previous COVID protocols. Michelle Sistelli shared that 16 households had been placed.

Toadsuck

Judi Lively shared that Toadsuck LHC met the first part of this month and focused on discussing PIT. The warming station is closing tonight. CARES money will be used to house clients at hotels. All the vouchers have been used.

With no other discussion, the meeting adjourned. The next meeting is scheduled for Thursday, February 10, 2022. Minutes recorded by Josephine Flowers.

Call to Order

The meeting was called to order via virtual platform at 11:02 am by Balance of State Chair, Casey Kidd.

Roll Call

A welcome was given and a roll of attendees was recorded.

COVID-19 Update

An update was provided by Dr. Bala on the state of COVID-19 in Arkansas. Dr. Bala shared that Arkansas is showing a decrease in COVID cases; the Omicron variant is trending downward as it is in other states. Dr. Bala shared that Arkansas is one of the states with lowest vaccination rates. He reports being cautiously optimistic of the downtrend of things but urges that we should use all the tools we have in battling COVID. Dr. Bala reports that likely this week the vaccination will be approved for children 5 and under.

Dr. Bala shared a link that is available as a resource to shelters who need guidance on how to address things safely in relation to COVID. The link to this resource is: <https://www.cdc.gov/coronavirus/2019-ncov/community/homeless-shelters/plan-prepare-respond.html>. Arkansas also has an environmental health specialist who is available on an as needed basis to answer questions about COVID safety. Contact Dr. Bala if assistance from the environmental specialist is needed.

Dr. Bala shared that the application has been submitted to the CDC to hire a homelessness coordinator. The homelessness coordinator will join the ABoS meetings even beyond COVID.

A question was posed regarding whether a second booster will be needed. Dr. Bala shared that the CDC is no longer recommending boosters and that some evaluations are being made to determine whether a yearly vaccine is better suited and if that vaccine can be in conjunction with the flu vaccine, i.e., be a component of the flu vaccine.

Approval of Minutes

A motion was made by Judi Lively and seconded by Marty Timmons to approve January 2022 minutes. The motion unanimously carried.

Federal & State Reports

HUD

Sandra Lewis Payne reported that the 2020 Arkansas homeless assessment report is available for review on the HUD Exchange. The 2020 COC Performance Report has been listed on the HUD Exchange. Sandra reported that HUD is still pending new awards.

DHS

Absent

HMIS

Alex reported that he will start work on the PIT numbers soon. Alex stated that he has been working on the LSA's. There is a vendor issue with WellSky. Once all the errors are corrected then he states he will run the LSA report. ESG-COVID reports are due. DHS requires that reports be submitted by February 18. Contact Alex at atingquist@pulaskicounty.net, 501-340-5618 if there are any issues when you run your reports.

Old Business

PIT Count Planning

Casey asked that the PIT count numbers be entered in a timely manner. Alex will pull information on the 15th. Sue reported that she will close the Counting Us APP to coalitions on February 15.

New Business

Collaborative Applicant Vote

Casey shared that the executive committee met last week and voted to continue with Ouachita Children, Youth & Family Services as collaborative applicant. Casey made a call for discussion so a vote could be held. No discussion ensued. A vote was called for with a unanimous vote approving Ouachita Children, Youth & Family Services continue as collaborative applicant.

Job Opportunity – Homeless Program Coordinator

Sue shared that the homeless program coordinator position has been advertised on the website, on Facebook and at OCYFS. The position requires some travel, attending at least one in-person

meeting per month and the ability to assist the collaborative applicant. The applicant would also be responsible for recording ABoS minutes. For out of state applicants, it is preferred that the individual be familiar with Arkansas rural demographics. Judi suggested that the applicant be screened for organizational skills as well.

Systems Performance Measure Report Discussion/Explanation

Casey shared that ARBoS will review this more frequently at meetings. Katie with Cloudburst shared that HUD has a couple of different ways of looking at data. Katie shared a link https://files.hudexchange.info/reports/published/CoC_Perf_CoC_AR-503-2020_AR_2020.pdf that gives an overview of how Balance of State performed 2016 – 2020. The number of permanent beds has seen an increase. The length of time homeless has increased as well but may be pandemic related. 2017 –2018, housing first rates fell back a bit but may be related to the way “housing first” is perceived by individuals answering that question. Ashley clarified that it is not the number of homeless individuals counted for an area that improves the NOFO score, but it is the ability to resolve homelessness in one’s area that improves the overall score. There was a drop in funding 2017- 2018 then an increase in 2018-2019.

Strategic Planning and Training

Casey shared that an in-person meeting was scheduled for March. The March meeting will be held virtually instead, and the in-person meeting will be during our general meeting in April. We are still working on the location for the meeting. As soon as the location is confirmed, then the date will be sent out. Casey shared that she is waiting for confirmation for a place in Little Rock. Judi stated that she would also look for a place in Little Rock. Casey asked that members be forward thinking regarding upcoming NOFO so that we have a head start. The general meeting will address coordinated entry, rank and review, priorities and values discussion and the simulation on homelessness activity.

Local Homeless Coalition Reports

ARVAC/ARVAN

Fred Teague reported that Elizabeth Roberson is the new chief operating officer of emergency services at ARVAN. ARVAN has moved to their Lake Point facility. ARVAN is hoping to open their A&D program for women and children soon, so women don’t have to choose sobriety over being with their children.

BBMN

Chonda Tapley reported that BBMN did a small PIT count but not much due to the weather. Chonda reported that vouchers are going well. There are 9 – 10 vouchers “leased up”. Chonda shared that some of the individuals they originally thought were homeless are individuals who are housed but who have mental health needs. Chonda verbalized confusion of resources and how to proceed with covering the mental health needs of individuals served. Josephine volunteered to send the name of an Arisa Health contact who is in her area to Chonda to discuss addressing the needs of the clients she serve.

Delta Hills

Shannon Haward shared the Delta Hills is meeting next week. Lee County still has all their vouchers available. St. Francis county has 4. Pocahontas has 1; someone moved out and the voucher became available. In regard to the PIT count, Hedge Ministries is no longer active. Purple Butterfly House and Braybory are the same facility. Freedom Ways only celebrate recovery.

Eastern Arkansas

Cassie Rutledge reported that fEastern Arkansas continues to have difficulty identifying rental houses/apartments that fall within the rent limitations for our clients. We had 43 individuals on sheltered count, 21 unduplicated on street observation. We have 4 emergency housing vouchers remaining, and 6,000.00 combined available funding remaining among all agencies for rapid rehousing and homeless prevention. We have 2,000.00 remaining for COVID related homeless motel assistance. We are working to identify funding for warming stations and another shelter as well as funds to staff it. Josephine shared that, on Sue's advice, EA Coalition plans to meet monthly instead of every two months.

Mississippi County

Absent

Northeast Arkansas

Casey Kidd shared that Northeast participated in the PIT count. There were approximately 900 students counted as homeless during their PIT count.

Phillips County

Absent

RHC

LuGene shared that RHC next meeting is scheduled for February 22. There have been challenges with getting individuals engaged after they attend meetings; there is excitement and then the individual does not return. The majority of coalition participants are new. Katie suggested that LuGene invite Sue to their next meeting.

SWAP

Michelle Sestili shared that today is her last board meeting with ABoS. Michelle offered her thanks for the information she has gained from being an ABoS participant. Sarah Fowler shared that SWAP completed a sheltered count. The next meeting for SWAP is February 17 and they hope to have more information about their count then. Garland County's homeless count for the school system was 481.

Toadsuck

Judi Lively shared that Toadsuck LHC will meet February 22. Myracle shared that there has been a hold on taking the emergency housing vouchers. Most of the vouchers have been used. Toad Suck's homeless connect event will be held February 24.

Additional Comments

Casey requested that each coalition send her the date, time and link for their local coalition meetings, and she will post them on the ABoS Facebook page. This may help with attracting additional attendees.

With no other discussion, the meeting adjourned. The next meeting is scheduled for Thursday, March 10, 2022.

Minutes recorded by Josephine Flowers.

Call to Order

The meeting was called to order via virtual platform at 11:00 am by Balance of State Chair, Casey Kidd.

Roll Call

A welcome was given, and a roll of attendees was recorded.

COVID-19 Update

An update was provided by Dr. Bala on the state of COVID-19 in Arkansas. Dr. Bala shared that the COVID numbers in Arkansas are going down; still have 400 – 500 cases daily in Arkansas. We are one of the states with the lowest vaccination rates. The best defense is still to get vaccinated and to wear a mask in crowded places. The health department in conjunction with Arkansas Balance of State applied to the CDC for a grant for a Homeless Shelter Coordinator. The Homeless Shelter Coordinator will participate monthly in the Balance of State meetings.

A question was posed to Dr. Bala about the current recommendation for masking in shelters. Dr. Bala shared that Arkansas is still in the medium to high range for infection. Dr. Bala advised that shelters should continue to require individuals to mask inside, particularly for congregate shelters. Masking can be relaxed while outside. Katie Peterson shared that the CDC guidance for shelter has not changed. The link to view the CDC guidance for homeless shelters is: <https://www.cdc.gov/coronavirus/2019-ncov/community/homeless-shelters/plan-prepare-respond.html>

Approval of Minutes

A motion was made by Shannon Haward and seconded by William Tollett to approve February 2022 minutes. The motion unanimously carried.

HMIS

Casey reported on behalf of Alex, that Alex submitted the System Performance Measure Report to HUD.

Old Business

PIT Count/HIC

Casey reported that the PIT count and HIC will be reviewed at the April meeting before the reports are submitted to HUD. It is due to HUD in April.

New Business

Systems Performance Measures Report (SPM)

The SPM report was submitted to HUD March 1st. SPM collection of data is on a person level; a different report is compiled for household levels. SPM does not include domestic violence numbers. A copy of the SPM report was shared and discussed with participants.

Rank and Review Committee

Casey extended a request to council members who may be interested in joining the Rank and Review Committee. More committee members are needed. To qualify as a committee member, participants must be from organizations that have not submitted a request for funding.

NOFO Competition

The award announcement is still pending. Once awarded, a training will be scheduled for programs that get funded.

Strategic Planning and Training

The strategic planning and training session has been moved from March to April. A discussion was held regarding possible venues to host the general meeting; a venue has not been secured. Some of the suggestions were: DHS, moving to Hot Springs, Counseling Associates, Antioch, First United Methodist, The Chamber and Jacksonville Community Center. Follow-up is pending.

Casey posed a question regarding coordinated entry and asked for feedback from council members regarding their understanding of the concept of coordinated entry. Rori Durham provided a presentation on coordinated entry.

Casey shared that on May 1st, she will be stepping into her new role as the collaborative applicant assistant and that she cannot serve in both roles, collaborative applicant assistant and Balance of State Chair. Casey posed a question to the board. Do the board prefer that Casey step down and a special election be held to fill the vacant Vice-Chair position or does the board prefer that Casey continue in her role as chair until October when elections are scheduled to occur? Judi Lively motioned that May 1, Casey Kidd relinquishes her position as Chair; Shannon Haward relinquishes her role as Vice-Chair and move into the role of Chair; and a special election be held during the April meeting to elect a new Vice Chair. Melissa Allen seconded the motion. The motion carried unanimously. Council members were encouraged to submit names to Judi Lively no later than March 31st of nominees for the Vice Chair position; prior to submitting the name, please make sure the individual agrees to the nomination.

Casey shared that a registration link will be sent out once the venue is secured for the April general meeting so a head count of attendees can be obtained.

Eastern Arkansas

Eastern Arkansas LHC is scheduled to meet March 15th. No new updates.

Mississippi County

Tamika reported that Mississippi LHC is awaiting the award of this year's grant in hopes of getting funded. The next Mississippi County is next month.

Northeast Arkansas

Casey Kidd shared that during their last meeting, Northeast Arkansas LHC was given an overview of the Balance of State. A review of the April's General meeting agenda was given. The next meeting is April 27th.

Phillips County

Rosie Burton reported that November 2021 Phillips County had a boot and coat give away where they served 76 individuals. Rosie reported that Phillips County LHC chairperson passed away and they have a new president, Lanna Pritchard. All 15 ESG vouchers for Phillips County have been used.

RHC

Absent

SWAP

Sarah Fowler shared that a committee meeting is scheduled for SWAP March 11th to finalize bylaws. The next SWAP LHC meeting is March 17

Toadsuck

Melissa Allen gave an update for Toadsuck LHC. Conway Ministry Center served 123 homeless individuals with the winter warming station. The ESG:

- Helped 4 households transition out of poverty.
- Prevented evictions for 40 individuals who were at risk of homelessness.
- Placed 12 homeless individuals into permanent housing.
- Completed the initial interview and began the permanent housing placement process for 25 homeless households.
- Prevented the eviction process for 3 households that were at risk for eviction.
- Provided 229 nights of hotel vouchers to 48 individuals to prevent them from being on the street and exposed to the winter elements.
- Provided street outreach services to 93 homeless individuals.
- Have 149 households enrolled and active in case management. Of those 149, 101 households have maintained housing stability for 4 months or more.
- Total # Served at event- 40
- Total # Served after event- 85
- Total # of service providers- 21
- Total # of services provided- 302

With no other discussion, the meeting adjourned. The next meeting is scheduled as an in-person meeting for Thursday, April 14, 2022. The venue for this meeting is pending.

ESG-CV program is winding down. If anyone is having problems with invoicing and analysis please contact Lorie. Sept. is the last month and no word as to if there will be any extensions. Regular ESG funds that are not spent will be looked at when determinations are made for the next grant period submitted. April 22 there will be a Zoom meeting regarding what can be used for match funds. Lorie will be sending an invite to all current grantees on list. DHS will begin monitoring CV grants in May and June.

ESG for period 22-23 will be out May 1. Since this is a Sunday, Lorie will send the link for the application May 2.

Rent relief program opened for a short time and closed again April 1. 30,000 applications were processed at a total of \$92.5 million. Money is allocated for all applications received prior to closing on April 1.

HMIS

Alex reported that today is his last day as HMIS lead, Eric Durham will be taking his place and they have been working together training for the past few weeks to ensure a smooth transition. ESG-CV reports are due the end of April and that is what they have been working on.

PIT numbers have been sent to Austen and Scott and will be submitted to HUD the end of this month

New Business

Vice Chair Position:

Judi received only one nomination for the vice chair position: Cassie Rutledge. Cassie was asked and agreed, a vote was made through Chat and Cassie was elected unanimously.

ESG Letter:

One of the requirements when applying for ESG funding is a letter in good standing by the AR BoS chair. Casey asked that all requests come to her. If you have a new agency that has not been participating in the LHC or on the BoS board, a letter of intent needs to be written to Casey and signed by either the Board Chair or the Executive Director of the organization applying. Requirements of good standing include participation in at least 6 of 12 meetings and in PIT count annually.

Strategic Planning and Training

The strategic planning and training session has been moved June. A discussion was held regarding possible venues to host the general meeting; a venue has not been secured. Follow-up is pending.

TA providers will also be onsite the second week in May for meetings and training as Casey takes on her new role as Homeless Programs Director with the Collaborative Applicant, Ouachita Children, Youth, and Family Services, Inc. (OCYFS) as of May 2.

Coordinated Entry Examples:

Katie, Ashley, and Rori each showed examples of Coordinated Entry flow charts from other Balance of States in the country and how each showed entry point through assistance. Texas Balance of State was extremely detailed with each step showing specifics (5 page document)

Roll Call

A welcome was given, and a roll of attendees was recorded.

COVID-19 Update

Dr. Bala shared that the Homeless Shelter Liaison position awarded to Arkansas by the CDC has been approved and that the individual, when hired, will attend the Balance of State Meetings. The position was awarded for a 4-year term but the hope is that the position will be sustained thereafter. Regarding COVID, Dr. Bala shared that there's not much to report. It is possible this fall that an annual booster will become available with the flu booster. Dr. Bala reported that we are still awaiting approval for the under five-year-old age group to receive the vaccine. There is not an expectation that COVID will disappear but more so that it will become like the flu and be with us on some level at all times.

Approval of Minutes

A motion was made by Melissa Allen and seconded by Judi Lively to approve April 2022 minutes with a correction of adding Marty Timmons to the attendees list. The motion unanimously carried.

Federal & State Reports

HUD

DHS

Sandra Johnson reported that the ESG application for 2022 – 2023 is available. Lori sent an email May 2nd providing the link for the application. The deadline for applying is May 31st. Sandra further reported that DHS is still having issues with agencies who are slow submitting invoices for COVID funds. OSG is reviewing and letters will be sent out notifying agencies that funds may be reduced or even taken. Catching up on invoices is extremely important. September 2023 is the extended dateline for expending ESG grant funds. The more invoices agencies submit, the closer to 50% usage the state gets the least likely it will be that funds will be recouped. Sandra stated that DHS will reach out to Casey to confirm that ESG applicants are participating at least quarterly prior to ESG funds getting approved.

HMIS

Absent. Casey reported that the balance of state met with HMIS, May 10th.

Old Business

PIT Count/HIC

Casey reported that the deadline for submitting the HIC was April 29th. HUD extended the deadline to May 6th. Casey shared that the report was submitted 30 minutes prior to the deadline. A lot of work was put into compiling the report; however, our data quality is not good. Improvements are needed. Data needs to be entered correctly into the Counting Us app. The housing inventory count has beds listed incorrectly. Some projects were listed that should not have been because they are closed. The demographics were problematic; the report does not allow submitting blank responses or submitting a response of “client don’t know”.

There were 286 individuals reported as sheltered homeless.

LHC information will not match the information entered into the counting us app, as the input of information was not done correctly. This was the first time BOS have submitted the report; it is usually submitted by HMIS.

Emergency Solutions Grant

Organizations interested in applying for the emergency solutions grant are required to get a letter of good standing from the Balance of State. The period for applying begins May 1st and closes May 31st.

Strategic Planning and Training (General Meeting)

Coordinated Entry Discussion

Shannon shared with the continuum that a representative from RHC is needed for the coordinated entry committee. Lugene stated that she would check with Stephanie McGee to see if she would agree to represent RHC.

Rank and Review Presentation

There was a meeting Tuesday about the rank and review process. Work was done to make sure the committee understand the rank and review process. There will be some changes this year on how r & r is done. There will be a checkoff threshold list. All projects must be housing first projects in order to apply. Training will be done to explain the concept of housing first. Priority will be given to projects that HUD ranks as a priority. For renewal projects, they will be reviewed to assure tht at least 80% of the funds were spent or a justification letter will be requested as to why funds did not meet the threshold. Reduction of grant fund amounts will be requested if there is no justifiable reason for not spending 80% of previously awarded funds. With past applications, some of the descriptions were vague and questions were not directly addressed.

Registration/Attendance

Shannon reminded everyone that organizations that are interested in getting funding must attend at least one general meeting. The next general meeting is planned for Tuesday, June 14th, at 10:00 am. An invitation to the meeting has be created by Eventbrite, for the purpose of determining the number of participants; a ticket is not needed to attend.

NOFO

Casey shared that in reviewing the last NOFO, we lost points on COC coordination and engagement, a loss of almost 30 points. Work has already begun to improve this. The BOS is reaching out to local coalitions to do more engagement. Casey shared that we are also failing at obtaining data from domestic violence organizations. The BOS plans to do a general overview of the NOFO at the end of May. There is also a plan to meet one-on-one with projects that desire to do so.

For domestic violence projects, we anticipated receiving 90% of renewal funds. We received approximately \$500 over what was expected. We were not awarded DV bonus points.

Local Homeless Coalition Reports

ARVAC/ARVAN

Fred Teague gave an update and requested a supportive visit from BOS. Fred reported that 8000 square feet medical center is under construction.

BBMN

Delta Hills

Shannon Haward reported that she has been unable to get in touch with Lee County regarding their voucher usage due to Lee County's technology outage. It is presumed that Lee County still has all 15 vouchers

available. Forrest City had 1 voucher and Pocahontas has 3. The next meeting will be attendance at the Balance of State and will not be held on a local level.

Eastern Arkansas

Cassie reported that calls for rent, utility and financial assistance to the Families in Transition DV Crisis hotline tripled during April. Additionally, emails for assistance are being received daily, where previously, emails were about once a week. The increase in emails may be related to the loss of finances people are experiencing and instead of calling they are utilizing WiFi to communicate. Funding has dwindled in our area for rent assistance. Cassie reported that she has reached out to the Mayor of West Memphis to develop a plan to access additional funding.

Mississippi County

No update.

Northeast Arkansas

Casey Kidd reported that NEA recently met. Northeast Arkansas is trying to get more people to apply for ESG. The next meeting is scheduled for June 22nd at 3 pm. Elections will be held during this meeting.

Phillips County

Rosie Burton reported that Phillip County's Flip Flop and Care Kit is being organized. The date for the event has not been finalized. Vince Wilson is the new director of Anchors Away Homeless Shelter. The next meeting date for Phillips County Coalition is May 31, 2022.

RHC

LuGene reported that one of the issues RHC is experiencing is getting organizations to see the reason for becoming a part of their local homeless coalition. LuGene shared that RHC is working diligently to bring in new organizations. The next meeting date is, June 28th.

SWAP

Andrew reported that their next meeting is June 19th. During the January meeting, SWAP is planning to develop bylaws for the purpose of giving direction to their local coalition. Andrew stated that SWAP continues to work on their quarantine house.

Toadsuck

Judi reported that elections were held at last Toadsuck meeting. Larua King is new Toadsuck Coalition Chair. Judi requested that the Balance of State provide some general coalition training to Toadsuck Local Coalition. Judi shared that the City had the groundbreaking ceremony for the emergency shelter a couple weeks ago. Toadsuck is waiting on the results of the United Way grant they applied for. The City of Toadsuck continues to provide COVID rental assistance.

With no other discussion, the meeting adjourned. The next meeting will be an in-person general meeting and is scheduled for, Tuesday, June 14, in Conway.

COVID-19 Update

Dr. Bala gave an update on COVID 19 cases in Arkansas and the new Monkey Virus. Dr. Bala reported that Arkansas is experiencing a summer COVID surge. The number of cases has increased in the last two weeks and Arkansas is seeing about 2,000 new cases per day. A second booster is expected to be offered this fall. Paxlovid has been authorized for use for mild to moderate symptoms.

Monkey Virus originally spread from animals to people and is now being spread from person to person. Infection can occur from intimate body contact and from handling the bedding and clothing of an infected person. The virus presents with flu-like symptoms accompanied by a rash in or near the area of contact. It is a chickenpox-like rash. There is currently one case in the state of Arkansas.

Approval of Minutes

A motion was made by William Tollet and seconded by Sarah Fowler to approve May 2022 minutes. The motion unanimously passed. A motion was made by Elizabeth Roberson and seconded by William Tollett to approve the June 2022 minutes. The motion unanimously passed.

DHS

Sandra Johnson reported that Arkansas DHS have received a recapture of \$4.3 million from HUD. DHS is currently working to see which agencies they will remove funds from. They have not been given a timeframe for the removal of funds but realize it needs to be done as soon as possible.

DHS is trying to catch up on invoices. For the 2022 –2023 grant they have completed. The scoring has been completed for the 2022 – 2023 grant period and they are in the process of deciding how much funds will be allocated to each agency that was approved; the total funds being awarded is \$2,280,574.

HMIS

Whitney Force reported there are exit dates missing from some agencies' data. They are awaiting that information to be completed before reports are run

Old Business

Governance Charter

Shannon shared that no feedback was received from membership regarding changes that need to occur to the governance charter. The executive board is still reviewing the charter for changes.

New Business

NOFO

Shannon shared that the NOFO has not been released and Casey will be requesting information from the local homeless coalitions in preparation for the NOFO. Casey advised that she is available to do a presentation to agencies interested in applying for funds. The presentation will share information that will assist in completing their application

Grants Inventory Worksheet

The grant inventory worksheet has been put out for review. The review period was extended to October 22nd.

HMIS Coordinator

Casey shared that a discussion has been underway regarding a regional leader for HMIS. There are ESG funds available, that are about to expire, and those funds can be used for hiring the coordinator. The coordinator will be employed by the lead applicant, Ouachita. Further discussions still need to occur about who will employ the three regional HMIS team members.

Special NOFO

Casey shared that a special NOFO has been announced. There is \$4.212 million to address rural homelessness and another \$4 million available for the unsheltered. Rural counties that qualify are listed on the website <https://www.arboscoc.org/grants-bids/>. The special NOFO application is due in October so applications must be received by early September. A strategic plan must be submitted by the Balance of State regarding how the Balance of State reach out to those with lived experience, get input from the homeless population and how the Balance of State connect individuals served to health care and other benefits. The grant will be awarded for 3 years and may possibly be renewed through the regular renewal process. Local homeless coalitions wanting to apply would submit a project application. Balance of State would complete a rank and review. The priorities for awarding are the same as the regular NOFO. Casey will send out another email regarding the Special NOFO to give talking points for those who wish to share the information with their local homeless coalitions.

Local Homeless Coalition Reports

ARVAC/ARVAN

Fred Teague shared that ARVAC/ARVAN Local Homeless Coalition is scheduled to meet July 28th. Rapid rehousing is going well. ARVAC/ARVAN is partnering with 100 families in their efforts to address homelessness in their area.

BBMN

Chonda Tapley shared that she didn't have an update for BBMN Local Homeless Coalition.

Delta Hills

Shannon Haward shared that Delta Hills Local Homeless Coalition is scheduled to meet July 19th. Meetings have focused on the NOFO. Pocahontas used 12 of their vouchers and have 4 available. Delta Hills is searching for a house outside the city limits of Claiborne County that can be used as a homeless shelter. Shannon reported that the sheriff of Claibourne County would not allow for a homeless shelter inside of city limits, citing if a shelter is built "they would come and not wanting 'riffraff in town'".

Eastern Arkansas

Josephine Flowers reported that Eastern Arkansas Local Homeless Coalition met this week. Discussions were held about recruitment, the NOFO and monies available within the county for individuals who are homeless.

Mississippi County

Lisa Willard shared that Mississippi County Local Homeless Coalition have not had a meeting. Tamika Jenkins is transitioning out. Lisa shared that she will begin her role as chair next month.

Northeast Arkansas

Casey Kidd reported that Northeast Arkansas Local Homeless Coalition met June 22nd. A new chair, vice-chair and secretary have been elected. Shane Fore is the new chair; Adam Watkin is the new vice-chair and Janna Bernette is the new secretary. Shane and Jana will join the Balance of State meetings and will replace Casey Kidd and Marty Timmons as representatives.

Phillips County

Rosie Burton reported that Phillip County Local Homeless Coalition has their Flip Flop event scheduled for August 13th. Rosie stated that a great deal of donations has been received. The next meeting is scheduled for July 25th at meeting 8:30.

RHC

Absent.

SWAP

Sarah Fowler shared the SWAP Local Homeless Coalition has completed the update to their bylaws. The next meeting is scheduled for July 21st at 1:00 pm. A representative from the City of Hot Springs is scheduled to be present to discuss a potential shelter. SWAP is also asking for a representative from Arkansas 211 to join. SWAP has a group working on a flow chart of services that are provided by their LHC.

Toadsuck

Laura King shared that Toadsuck Local Homeless Coalition meets every 2 months via Zoom. The next meeting is scheduled for August 23rd at 11:30. Toadsuck is working on three different components of housing. Additionally, Toadsuck has completed an educational animated video that talks about different kinds of housing. The video is intended to educate the community on why various types of housing are needed within the community.

With no other discussion, the meeting adjourned. The next meeting will be an in-person general meeting and is scheduled for Thursday, August 11th.

Call to Order

The meeting was called to order via virtual platform at 11:00 am by Balance of State, Homeless Program Director, Casey Kidd.

Roll Call

A welcome was given, and a roll of attendees was recorded.

COVID-19 Update

Dr. Bala gave an update on the Monkey Virus in Arkansas. Dr. Bala shared that there are 15 cases in the state of Arkansas. The virus usually presents with fever, headache and a painful rash at the site of exposure approximately 7 – 14 days after exposure occurs. The rash generally materializes on the hands, feet, chest and face (wherever the contact occurs). The majority of cases diagnosed have been among homosexual individuals but, also occur among any sexual partners who are infected or in any person is in prolonged contact with the virus. The state hotline number to report suspected cases is 1-800-803-7847. There is both an investigational antiviral medication and an investigational antiviral vaccination available. The link for information on monkey pox is:

<https://www.healthy.arkansas.gov/programs-services/topics/monkeypox>.

Regarding COVID, Dr. Bala shared that the case counts have still been elevated but hospitalizations have been low. There's a new vaccine available, Novvax. It is a two-injection vaccination.

Approval of Minutes

A motion was made by Mellissa Allen and seconded by William Tollett to approve the July 2022 minutes. The motion unanimously passed.

Federal & State Reports

HUD

DHS

Lorie Williams reported that Arkansas DHS is winding down on the ESG 2022 grant which ends next month. Lorie requested that all invoices be submitted as soon as possible. A link will be sent out for the mandatory training for the new ESG funds. By now, agencies should know whether their COVID funds have been extended.

HMIS

Whitney Force shared that HMIS has instituted security measures when issuing new user log-ons. Additionally, HMIS is working to clean up the list of users. When a new user requests a log on, the end user agreement form will be sent and once that form is completed and returned, log on access will be assigned. Whitney shared that there is a problem with agencies holding data entry rather than entering information in a timely manner. Late entry of data leads to incorrect reports.

The HMIS team is planning training the first week of October and will extend invitations to 2 – 3 people from each COC. The limited number of attendees is a Wellsky mandate and HMIS does not have the privilege of removing the capacity setting. Initially those who have multiple errors will be invited. Once the regional person is trained in HMIS then the regional contact will bear the responsibility of assisting agencies within their region.

Old Business

Governance Charter

Casey shared that the appeals process in the Governance Charter states that:

- d. The Executive Committee shall meet to discuss the appeal and forward written recommendations to the Board.
- e. The CoC Board shall meet and vote on the appeal.
- f. The Board shall bring their findings to the attention of the full membership at the next full CoC meeting.

Due to the short timeline for this year's NOFO, following the steps set forth in the charter is virtually impossible. There's not enough time. Casey submitted to the membership a suggestion for a revision of the governance charter, removing items e and f (listed above). A motion to remove items e and f of the

governance charter's appeals process was made by William Tollett and seconded by Melissa Allen. The motion unanimously passed.

HMIS Coordinator Update

The HMIS coordinator proposal has been submitted to the ESG team and will be going for legislative review for approval.

New Business

Special NOFO

Casey shared that the HUD deadline for the special NOFO is October 20th. Project applications must be submitted to the collaborative applicant by September 20th. There is a strategic plan that has to be created; that information is needed by August 19th. Casey shared that we also need to work on creating a lived-experience work group. Three individuals have agreed to participate in the work group. Additionally, a supplemental applications checklist is required; an email has been sent out requesting this information. Anyone who is considering applying should contact Casey as soon as possible.

Regular NOFO

We currently do not have a lot of information regarding the regular NOFO. As information becomes available, it will be released. Applications are to be submitted to the collaborative applicant by August 31st.

Rank and Review

Casey reported that the rank and review committee is still organizing to meet HUD requirements. Three voting members are needed for the rank and review committee. The governance charter states that the rank and review committee is to be selected by the executive committee and voted on by the entire board. The executive committee spoke with, and selected, the following individuals to serve on rank and review: William Tollett (Chair), Patti Davis and Myracle White. With no discussion, a motion was made by Judi Lively and seconded by Melissa Allen to approve the nominees to serve as the rank and review committee. The motion unanimously carried.

Housing First

Katie Peterson gave a presentation of "housing first". "Housing first" involves providing housing for individuals and then providing wrap around services to address the needs of the individuals.

Local Homeless Coalition Reports

ARVAC/ARVAN

Elizabeth Roberson shared that ARVAC/ARVAN Local Homeless Coalition is scheduled to meet August 30th. The first graduate of specialized services will occur in about a month.

BBMN

BBMN is scheduled to meet on August 19th.

Delta Hills

Shannon Haward shared via written correspondence that Delta Hills Local Homeless Coalition met July 19th. During the meeting, Casey discussed the Special NOFO and a little about the regular NOFO. There were a few organizations interested in the special NOFO. Regarding Emergency Housing Vouchers, St Francis has used all 15 vouchers, Pocahontas has used all 15 vouchers and there has still not been any success in contacting and getting a report from Lee County. The next meeting is September 20th at 2 pm by zoom.

Eastern Arkansas

Josephine Flowers reported that Eastern Arkansas Local Homeless Coalition is scheduled to meet August 23rd. There are no updates since last month's report.

Mississippi County

Absent

Northeast Arkansas

Casey Kidd reported that Northeast Arkansas Local Homeless Coalition will meet next Thursday at 10:00. Northeast Arkansas does have agencies interested in regular and special funding.

Phillips County

SWAP

Sarah Fowler shared the SWAP Local Homeless Coalition had their July meeting a couple weeks ago. The community center is progressing. The name community center was chosen as opposed to shelter to take on a different meaning. Much will be done in the community center. Training rooms will be available and the center will serve as a warming and cooling station when temperatures become unbearable. The next meeting is Thursday 18th and a representative from AR 211 is expected to be present.

Toadsuck

Melissa Allen shared that Toadsuck Local Homeless Coalition has been meeting regularly. The homeless shelter is moving along with hopes of opening the beginning of 2023.

With no other discussion, the meeting adjourned. The next meeting is Thursday, September 8th.

Federal and State Reports

HUD: No one present on call

DHS:

Lorie Williams reported that regular ESG funds for 2021-2022 will end this month. They are processing August invoices. Reach out to your analyst to submit invoicing as quickly as possible as they cannot go past October for final invoices. Should be sending in quickly especially a zero invoice which can be turned around quickly. There will not be any Y vouchers for the new year. Invoices are process as they come in and should be sending each month for the previous month (June = May invoices). They will begin reviews every 3 months for spend-down with the new awards. October 10 is the end date for 21/22 invoices. When you submit a zero invoice to get caught up you should have the documentation of spending so should be easy to submit after zero is approved.

ESG is requiring every grantees UEI number. If you have not sent that, please send to Lorie.

Training for 22/23 grantees will be held September 22 at 9 a.m. via Zoom. Everyone who works on the grant should be in attendance. If you cannot participate let Lorie know in advance as this training is mandatory for all grantees.

Reminder if you do not have match, you cannot do the grant – MUST HAVE 1:1 MATCH.

ESG – CV: this is the last year to spend down the funds. If you have the grant, you should know what you have to spend and need to prove that it can be spent down. DHS has hired a new analyst for CV only. Based on spending there may be additional monies available. Lorie asked for feedback on gift cards as this is an allowable expense as an incentive to get vaccinated. Can also pay peers as ambassadors to advocate to homeless the advantage of being vaccinated.

DHS will be monitored by HUD on the 26th of this month

HMIS:

Whitney reported they have new user agreements and will have a training with all new users before they receive any passwords. The training will only last 15-30 minutes. She and Eric have been running data quality reports each month. Counts report is now easier and convenient to find the number served. It can be found on the dashboard and can be customized.

Old Business:

The Governance Charter has been revised and now needs approval from the Board. William Tollett made a motion to accept the revisions with Judi Lively as second. Charter was approved and Casey will send out to all.

HMIS Coordinator position: The BoS has submitted. It had been on hold due to a misconception with adding HMIS license fees that would go directly to the HMIS lead but we would be responsible for the match. A discussion will be held soon to clear this up.

Special NOFO: applications are due September 20 to Sue and Casey to be sent to R & R committee for review. Priority will be posted on October 5, overall NOFO is due to HUD on Oct. 20 and will be posted 10-18. Casey asked that all agencies submitting make sure the instructions are followed and to reach out prior to the deadline if there are any questions rather than waiting until the day it is due to R & R. All information is on the website. Read the instructions on the R & R tool and please use the correct supplemental application.

Regular NOFO: Priority will be announced 9-15 and due to HUD on 9-30. We have received 6 applications

New Business

Board elections will be at the October General meeting and new officers will begin January 1, 2023. Judi, as the chair of the nominating committee would like to have all nominations to her in the next 2 weeks by 9-23. Make sure the person you are nominating is ok with serving in the position.

October General Meeting: 10-13 at 11 a.m. This will be a minimum of 2-hour meeting so please schedule accordingly. The meeting is mandatory for all CoC and ESG recipients.

Coalition Reports

ARVAC/ARVAN: Elizabeth reported they are planning a lunch on the 20th for partners and members to build up their LHC

Roll Call

A welcome was given, and a roll of attendees was recorded.

COVID-19 Update

Dr. Bala gave an update on COVID and the Monkey Pox Virus in Arkansas. Dr. Bala shared that we have moved from a pandemic stage to living with COVID among us. Dr. Bala shared that the recommendation for someone who has symptoms continues to be handwashing, social distancing and masking. Regarding Monkey Pox, Dr. Bala stated that Monkey Pox has morphed into an STD, as the primary means for contacting it is through sex.

Approval of Minutes

A motion was made by Chonda Tapley and seconded by William Tollett to approve the September 2022 minutes. The motion unanimously passed.

DHS

Lorie Williams reported that DHS is winding down the 2021 ESG year and getting the 2022 ESG year started. DHS is working to close out September COVID invoices. Lorie stated that DHS will start having meetings with program directors and the individuals who do invoices. DHS would like to make sure that they are consistently processing invoices from the previous month during the following month. Lorie shared that DHS is working with HUD on the HMIS project to make sure DHS's action plan has HMIS listed as a special project.

HMIS

Whitney Force shared that HMIS has initiated a process that requires a new user to be trained on HMIS prior to HMIS issuing a new user log-on. Once the new user submits for a logon ID, HMIS will conduct the training, but it will likely not be on the same day the request is submitted. This process has been put in place to improve data quality. There are recurring issues with the head of household and veteran status not being submitted correctly. Whitney also shared that the first HMIS Steering Committee Meeting was held. The Steering Committee will meet monthly to address HMIS issues.

Old Business

Regular Continuum of Care Funding Application

Casey Kidd, Collaborative Applicant Homeless Coordinator, shared this link for accessing ABOS completed application: <https://www.arboscoc.org/grants-bids/>. Casey explained that Tier I funding is typically the full amount of grant funds that were received the previous year. The full amount received last year was \$526,044. We were eligible for 95% of that funding this year. Tier II funding is the most likely to be funded. Tier II depends on our overall application score. The deadline to give public notice of the application was September 15th. The application had to be posted by September 28 and had to be submitted to HUD by September 30th. Balance of State was able to meet each of these deadlines. It will likely be February or March before any news of the award is received.

New Business

Special Continuum of Care Rural Set-Aside Funding Application

Cassie Rutledge shared that the application for special funding was sent out to the board for review and there was no remaining discussion. Adopting the funding application requires a vote from the board. William Tollett made a motion to approve the special continuum of care rural set-aside funding application. Chonda Tapley seconded the motion. The rural set-aside funding application was approved with 16 yeas, 0 nays.

Board Elections

Casey Kidd shared nominees the Nominating Committee presented for Board positions. Casey clarified that Shannon cannot serve as Vice Chair as she is currently chair and will move into the "Previous Presidents" position when her term ends. The full general board cast votes for Chair, Vice-Chair and Secretary. After a count of votes, Melissa Allen was voted in as the new Chair; William Tollett was voted in as the new Vice-Chair and Sue Legal was voted in as Secretary. New terms begin January 1, 2023 and end December 31, 2024.

Point in Time

William Tollett, Chair of the Point in Time Committee, shared that a meeting was held regarding the upcoming point in time count. The date set for the point in time count is January 26, 2023, and the backup date is January 30, 2023. William shared that we will be using the Counting-Us app. It is important to remember to complete as much detailed information as possible. William stated that in response to technical support that the committee is working on policy and procedures for conducting the count. There are general guidelines that should be followed such as not transporting the individuals you count in personal vehicles and not taking pics and posting on social media.

Sue Legal shared that January 19, 2023, has been selected as the date for the mandatory meeting to provide guidance on using the Counting-Us app. Recording the count on paper is discouraged. It's important to submit the information in real time/real location so the app correctly captures the location of the individual who is homeless. If counts are done on paper then entered at an office location the information clusters for "that location" and the app sometimes rejects it as an error.

Coordinated Entry

Josephine Flowers, Chair of the Coordinated Entry Committee, gave a snapshot definition of what coordinated entry is. Coordinated entry was defined as a one-stop shop for connection to resources for individuals who are homeless. Josephine shared that the Coordinated Entry Committee held their first meeting and that a monthly meeting date has been set. The Coordinated Entry Committee is asking each Local Homeless Coalition to have organizations within their coalition to complete a resource form. This is the first step to us moving forward. A couple of systems were discussed. The 211 system and the FindHelp systems were discussed. We are awaiting information back regarding the 211 system.

Governance Charter

Casey shared a power point overview of Arkansas Balance of State. The role of the collaborative applicant was shared. It was explained that the collaborative applicant works with all LHC's to better serve those who are homeless. There are 20 voting board members. An additional 4 voting seats to represent individuals who are homeless or who experienced homelessness over the last 5 years were added. Two voting board members may not be from the same organization; elections will need to be held at the local level if this is the case for any organization. Board members must attend at least 75% of all meetings and at least 1 of the general meetings. If a voting board member is unable to attend a meeting, a proxy may be sent to vote if the board president is notified at least 48 hours in advance of the meeting. Arkansas Balance of State covers 46 counties and there are 10 Local Homeless Coalitions (LHC).

What does an LHC look like and what are the responsibilities? Casey encouraged LHC's to recruit individuals who are interested in resolving homelessness and who are interested in serving those who are homeless. It is important for LHC's to know the resources within their community. LHC's are charged with hosting and managing the PIT count within their LHC area. Individuals don't have to be a voting board member to be part of a committee; those who are interested in the committee's function are encouraged to serve.

Balance of State During Casey Kidd's Leave

Casey shared that she will go on leave November 9, 2022 – January 4, 2023. She will be unavailable during that time. The auto-email will indicate who to contact. Sue Legal has agreed to pause her September 30th retirement and stay onboard until Casey returns.

DHS

Sandra Johnson shared with agencies that invoices need to be submitted in a timely manner. Invoices are due by the 10th of the month. Agencies who are receiving COVID funds should continue spending those funds down. COVID funds are currently at about 50% after the recapture. DHS is currently reviewing agencies that did not renew for the upcoming year so that any funds they had leftover can be reallocated.

HMIS

Whitney Force shared that the first draft of the LSA has been submitted. The HMIS team is working through flags and errors. The COC codes and the head of household code are the main errors. Whitney shared that a head of household will always be listed in an entrant's profile. Children and spouses must be connected to the household. The correct COC code for Balance of State is 503. Currently errors in coding is not generating a flag and the HMIS team is not going in to manually correct coding errors.

Old Business

PIT Count

William Tollett shared the overall purpose for the PIT Count. William advised that the PIT gives a snapshot of those who are homeless and indicates the services that are needed in the areas served by Balance of State. Those who are not counted are individuals who are in permanent housing, rapid rehousing or VASH. Also, individuals who are living in a hotel and pay for their own lodging are not counted as homeless. Some of the questions asked are sensitive and volunteers should broach those questions as such. Ask questions as listed and do not imply knowing the answer. Training is January 19th (10:00 a.m.) and the PIT count is scheduled for January 26th. The APP setup key is ARBOS23.

Coordinated Entry

Josephine Flowers shared that the TA team visited Eastern Arkansas LHC last month and met with her separately to share information regarding the Coordinated Entry process. The committee did not meet in November due to the holiday.

Sarah Fowler shared that she met with 211 and they are willing to take on whatever assessment that Balance of State decides upon. Sarah shared that once the job description is completed for the coordinated entry staff member, then it will be sent out to the continuum.

New Business

Ashley Barker shared that some of the agencies within the Toadsuck Coalition had discussions about been able to share information across agencies of clients who are homeless and access services. Toadsuck requested approval from Balance of State to allow HMIS to grant cross-agency access. The executive committee voted and affirmed that the agencies within Toadsuck Local Homeless Coalition may have cross-agency access in HMIS. This will be an opportunity for Toadsuck to pilot data sharing capabilities and give Toadsuck the opportunity to provide valuable feedback to the Balance of State about expanding data sharing throughout the full continuum.

Local Homeless Coalition Reports

ARVAC/ARVAN

Fred Teague shared that ARVAC/ARVAN Local Homeless Coalition will not have a December meeting. Fred shared that his LHC replacement has not been named; the plan is to have an early January meeting. He reported that things continue to go well.

BBMN

Chonda Tapley reported that BBMN Local Homeless Coalition met last month. William is taking the lead for the PIT count for BBMN. A warming station will also be provided again.
